

## STAT SHEET - SES RESEARCH - BUDGET IMPLICATION - OUEBEC

As you know, Prime Minister Stephen Harper supports the concept of "open federalism". The Harper government has announced \$350 million to support Quebec's environmental plan. Likewise, there is expected to be additional new equalization transfers from the government of Canada to the province of Quebec in the federal budget.

As a result are you likely to view Stephen Harper more favourably, about the same or less favourably

		Total	More favourably	About the same	Less favourably	Unsure
		Responses	Percentage	Percentage	Percentage	Percentage
Prov	Quebec	500	27.0	33.5	36.6	2.9
Associate	Parti Quebecois	121	20.5	31.2	45.4	3.0
	Quebec Liberals	129	36.7	29.4	32.5	1.5
