Perceptions of Favouritism on Middle East Policy

SES NationState 2006Q3

SES - NCCAR Poll

To follow is a review of a random telephone survey of 1,003 Canadians completed between August 18th and August 23rd. The survey is accurate to within 3.1 percentage points, plus or minus, 19 times out of 20. The margin of accuracy will be wider for sub samples. Percentages may exceed 100 due to rounding. This poll was sponsored by the National Council on Canada-Arab Relations.

The research was registered with the Marketing Research and Intelligence Association of which SES is a Gold Seal Corporate Member.

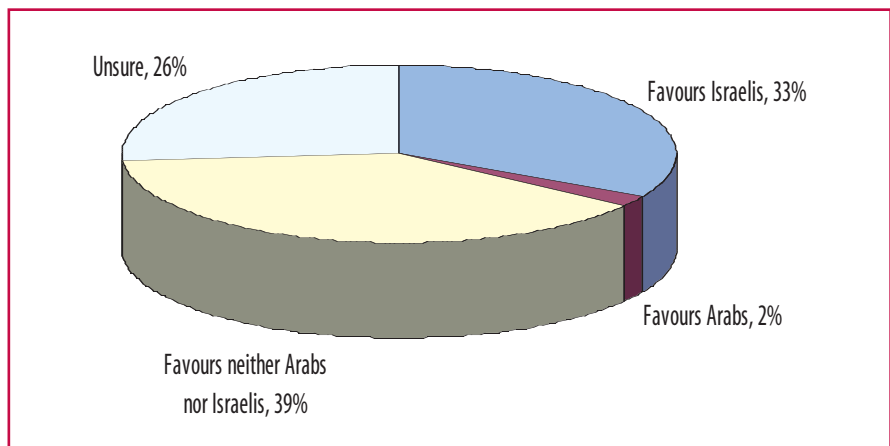

About SES

Established in 1987, SES Research is a full service public opinion research and management consulting firm. SES is regularly called upon by corporate, government and para-public clients in Canada and the United States to conduct research and provide strategic advice.
