Shania Twain: Sexiest Canadian

TORONTO-July 1, 2004 — It's Canada Day and a poll commissioned by Moosehead Breweries asked some odd questions of citizens of the Commonwealth.

The Calgary Sun reports the poll found Shania Twain at the top of the list of sexy Canadians, with 29 percent of the enthusiastic vote. Second place wasn't even close.

That would be Pamela Anderson — who is now a U.S. citizen — with 14 percent of the votes.

Here's one statistic from the poll that has nothing to do with country music or Shania Twain: The survey shows 14 percent of Canadians are planning to wear no underwear when they celebrate their nation's birthday today.
